Crusade Against Administration's Policy Inaugurated in Chicago.

THEY MEET IN CONVENTION

And Interchange Views-President Should Be Held Responsible For the War in the Philli-pines-Delegates From the Different States,

CHICAGO, Oct. 17.—The opposition of Anti-Expansionists to the subjugation of the Filipinos took tangible form to-day in the meeting of about 160 delegates from different paris of the country to launch a crusade against the policy of the Administration in the Fhilippines.

The meeting was called to order in Central Music Hall by temporary chairman Edwin Eurritt Smith of Chicago, ORGANIZATION.

The Committee on Organization of the

or committee on organization of the Conference was appointed as follows: George G. Mercer, Philadelphia; Frank H. Scott, Chicago, Dana Estes, Roston; Louis R. Ehrich, Colorado Springs, Col., and Faul F. Coste, St. Louis, Gwing to the iliness of his wife, George II. Soutwell could not be present, but a letter was read from him in which he thus summed up the situation as he sees it;

1. The President should be held responsible for the war in the Philippines and for the sacrifice of life and the expenditure of treasure incurred in its prosecution.

2. The conference, in the name of the Anti-Imperialists of the country, should amounce its purpose to oppose his re-election and its further purpose to oppose the election of members of Congress who

may sustain his policy.

3. The conference may declare its intention to oppose the re-election of any member of Congress who may sustain an appropriation of men or money for the proxecution of the war. On these points should be no compromise, no con-

PRESIDENT ALONE. Thus far the President alone is responsible. Should Congress endirse and sustain his policy we can then carry the concest into the States and districts for the purpose of unscating the men who may ave supported and sanctioned the doings f the President.

of the President.

At present we are not in co-operation with any political party. Let us reserve and preserve our right of action and our freedom of action in the presidential electron of 1960, until that contest has been organized coupled with the understanding that it is our purpose to contribute to the defeat of any party that demands the subjugation of the Philippine Islands.

The Conference will continue to-morrow.

NAVAL HERO WEDS.

Lienter aut Victor Blue and Miss Studet Magried at Morristown, N. J.

NEW YORK, Oct. 17.-Lieutenant Victer has of the U.S. S. Battleship Massachucetts and Miss Ellen Foote Stuart were married this evening at 5 o'clock in St. Peters P. E. Church at Morristown

N. J.

The ceremony was performed by Rev. 18r. Hibbard, rector of the church. The bride was escuried to the alter by her uncle, Captain Cooper. The maid of honor was Miss Marion Stuart, a younger sister and these following were the bridesmarks: Miss Elies Ladd, Miss Neille Turnbull, New York Misses Gertrade and Alice VanNam, and Marate Brice. Marristown, Dr. Bupert Blue, of the Marine Hespital Service, was the best man.

HEART DISEASE.

Some Facts Regarding the Rapid Increase of Heart Trouble.

Heart troubles at least among the Americans, are certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs,

is more often the result of week stomachs, of poor digestion.

Real organic disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerves, the Sympathetic and Pheumocastric.

in another way, also the heart is af-In another way, also the heart is a feeted by the form of poor digestion, which causes gas and fermentation from half digested food. There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises paintation and short breath.

short breath. Poor digestion also poisons the blood, making it thin and watery, which irritates

ising it this and watery, which irrelates d weakens the heart;
The most sensible treatment for heart suble is to improve the digestion and to ure the prompt assimilation of food. This can be done by the regular use for meals of some safe, pleasant and ective digestive, preparation, like part's Dyspepsia Tablets, which may be und at most drug stores and which ound at most drug stores, and which ontain valuable, harmless digestive ele-sents in a pleasant, convenient form. It is safe 40 say that the regular per-It is safe 40 say that the regular per-sistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stom-ach trouble except cancer of the stomack. WANT TO FIGHT.

Soldiers Stowed Away in Transports Bound for Manila.

SAN FRANCISCO, Oct. 15.—The at-er Gaelic brings the following ac-

sed desires to take her to the Sound for a cargo of coal, but she is hold here by the agents of W. R. Grace & Co., who demand \$1,500 damages on account of the captain's refusal to accept a charter they made for her. The case is likely to be settled in the caurts here.

The transport Ceutennial arrived from San Francisco, on the 5th, She brought \$60 horses 60 of them hanging to elinas and ready to die from simple exhausition. Two of them died after reaching port.

The horses had been at sea for cight days, each one functed to a stall just wide enough and long enough for he horses started as fresh, splitted animals brought from Nevadaand Oregon. They arrived thin and inded a large proportion of them only kept alive by stimulants about twenty galloms of alcohol were given the horses during the Castembal's trip. The animals were unloaded here and will be turned out to pasture until the return of the transport from San Francisco.

The cabinel recently considered a peti-

The planters wall committed.

The government decided while the planters had acted in good faith in their endeavors to secure American and European laborers, if did not feel that it had the authority to elimicate the clause referred to holding that the authority rested with the legislature only.

GENERAL LEE'S REPORT.

He Complains of the System of Juris-

prudence in Havana, WASHINGTON, Oct., 11.—Gen. Fitz-bugh Lée, communding the Department of Havana and Pinar del Rio, in his an-mal report seys: "The administration of all staff depart-

ments with the exception the Quarter-master's Department, has been satisfac-tory. The rations furnished troops have been mainly good in quality and of ample quantity. The refrigerated beef furnished from the United States has been quite satisfactory—much more so than

that slaughtered here. This is largely her funeral takes place to-morrow afterthat slaughtered here. This is largely due to the fact that cattie shipped here are slaughtered before they are in proper condition. Medical supplies have been ample for all purposes, acquarding the Quartermaster's Department, I wish to say that from the beginning I have had no control over supplies, public funds and construction work. He complains that it has been necessary for his Chief Quartermaster to refer the most trivial requisition through military channels to

termaster to refer the most trivial requisition through military channels to the Divison Calef Quartermaster.

Gen. Lee recommends that some action be taken to secure strompt trial of men arrested and held in confinement and says: "Cases have ondifferent occasions been reported to me of men, American ettizens, arrested and held for several months without a trial of any kind, so far as he knew. The whole system of jurisprudence now in operation, in my opinion needs general revision."

Gen. Lee's report is very much like the one sent by him to the War Department several months ago in response to a circular calling for reports from the Department Commanders on the conditions in Cuba, and he repeats the recommendation made by him then, that a general election be ordered for Presi-
